Online resources at your fingertips

More great benefits...

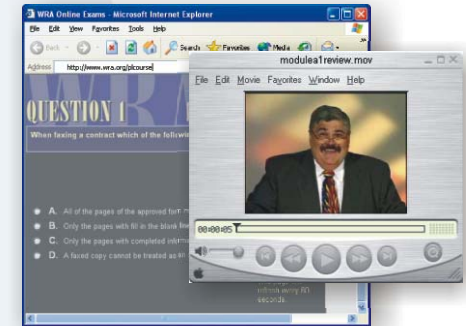

Get an Online Business Card

Make prospecting easier than ever with a Virtual Business Card! How does it work? When someone finds your name in the "Find a REALTOR" section of the WRA web site, a click on your name launches an online version of your business card. You can include your photo, contact information, the counties you serve, areas of specialty, second languages and more!

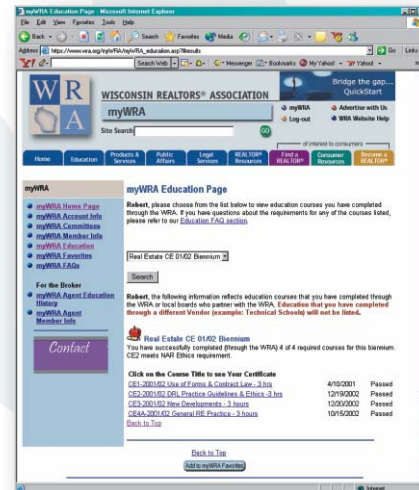

Complete Courses

Need to take courses at your own pace in the comfort of your own home? No problem. The WRA offers several online courses such as prelicense, GRI and CE. Best of all, scoring of exams are immediate and you can print a certificate of completion once you have passed a course.

Discover MyWRA

Keep tabs on your education history, update your contact information, choose to receive special email announcements, even bookmark frequently visited pages. All of this combined allows you to stay informed and customize your experience with the WRA.

Read Online Publications

The WRA produces a extensive collection of online newsletters. From Legal Updates to Wisconsin Real Estate Magazine, news is always click away. Visit news.wra.org to search our entire database of publications.
